

# 12-match run ends

B. Northern 7, Featherstone 9

BRADFORD NORTHERN failed against Featherstone Rovers for the second time this season in a tense match at Odsal yesterday.

Northern had been unbeaten in the Rugby League since the clubs met 12 matches ago but for much of this game they were hard pressed. Full-back Tees was at his best in both attack and defence. One of his long passes should have produced a try late in the game but the chance, like others, was missed.

Tees kicked two excellent goals however, to maintain his record of having scored in every match this season and the first gave Northern the distinction of being the first side to score 400 points

# Whitfield decisive

Huyton 18, Hunslet 10

UNTIL midway into the second half, Hunslet had a chance at Huyton. Then Whitfield scored the all-important try for Huyton and had to leave the field injured.

That stretched the margin to eight points and spelled doom for Hunslet who however, got the last try of the game through winger Kurtz, an Australian making his debut. For a long time Hunslet used the ball better, ran on to it and were more effective in their handling.
