1972

AUSTRALIANS SIGN ON

The two Australians, Eddie Kurtz (winger) and Peter Irvine (half-back) who have been training at Parkside, are now Hunslet players. Their signing followed an "A" team appearance in a game in which the second-stringers gained their second win of the season and in which Irvine particularly was impressive. He is the brother of former Aussie Test star, Ken Irvine, and has been with the famous North Sydney club. A scrum-half, he can also play stand-off.

*

Wakefield Trinity "A" reached the semi-finals of the Yorkshire Senior Competition Cup when they beat Hunslet "A" 11-8 at Belle Vue.
